

# Circle

Pierre Paulin

## Elegant table programme

The foot as a perfect circle, and the result is a beautiful table. The Circle is perfect as an occasional table, a dining table or a conference table. A simple design is a delight forever. The Circle is available in a range of sizes. It can be used as an occasional table or as a dining table. The base is chrome-plated or powder-coated, and the tabletop is made of solid oak or has a top layer of veneer or laminate.

### Tabletop:

Material: 24 mm multiplex

Topcoat: Laminate / veneer

The table round 140cm in veneer will be standard produced in 3 triangular pieces

Finishing edge: Multiplex transparent lacquered, rejuvenated.

In case of ash veneer or wengé veneer, finishing edge stained as topcoat.

or

Material: Completely clear glass (certain sizes)

Hardened, thickness 10 mm

The border is grinded and after the fine-grinding the edge is polished. This makes it shiny.

or

Material: 30mm massive oak (certain sizes)

Top coat: Natural stained, white wash, grey stained or black stained

Finishing edge: As top coat, straight

### Base:

Round aluminum disc in aluminum polished. Tube chrome.

Or disc and tube in standard powder coat colour.

### Diameter disk:

Circle 1: 43 cm

Circle 2: 53 cm

Circle 3: 70 cm

### Diameter tube:

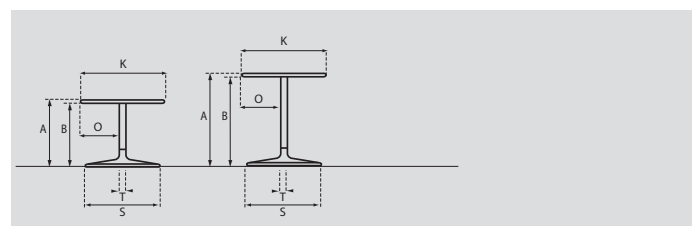

Circle 1: 3,2 cm

Circle 2: 4 cm

Circle 3: 7,6 cm

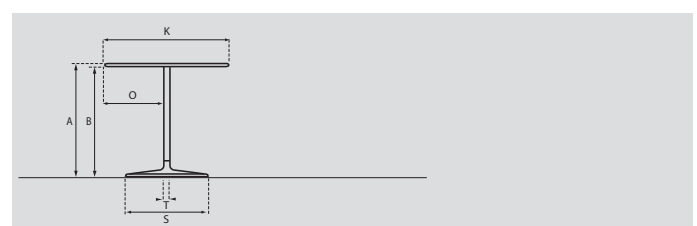

### Delivery

If possible, tables are delivered unassembled.

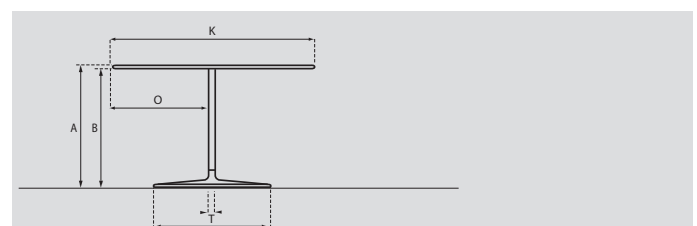

Circle 1

| material       | A    | B      | K    | O      | S    | T     |
|----------------|------|--------|------|--------|------|-------|
| 24mm multiplex | 74cm | 71,4cm | 50cm | 23,4cm | 43cm | 3,2cm |

Circle 2

| material       | A    | B      | K    | O    | S    | T   |
|----------------|------|--------|------|------|------|-----|
| 24mm multiplex | 74cm | 71,4cm | 80cm | 38cm | 53cm | 4cm |

Circle 3

| material       | A    | B      | K     | O      | S    | T   |
|----------------|------|--------|-------|--------|------|-----|
| 24mm multiplex | 74cm | 71,4cm | 120cm | 56,5cm | 70cm | 7cm |
