

Extense

Artifort®

Khodi Feiz | 2004/2017

Available as a sideboard with 2 drawers or a combination of drawer and open shelves. Or with 1 or 2 doors from top to bottom. The Extens is finished with a coating or veneer. The base and handles can be finished in structure powder coat.

Base:

- Aluminium legs Ø 22mm.
- Black plastic gliders.
- Finish: structure powder coat.
- At the front the legs are placed 3 mm. back
- At the back the legs are placed 28 mm. back
- At the sides the legs are placed 100 mm. back.
- Corner elements in structure powder coat

There is a row drilling in the sides of the cupboard. Here there are little holes every 32 mm. over the whole height of the cupboard, so every shelf is in steps of 32 mm. adjustable in height.

The material is 18mm MDF to be finished in lacquer or veneer. The back side of the Extens is 18 mm MDF, finished in the same execution.
