

Standard Features

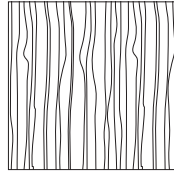

The B.5 table features a 1¼" (32mm) 3-ply top with mitered side panels that form an apron on two sides. Lightly figured anigre veneer runs lengthwise along the surface and continues down the sides and underside of the table. The B.5 table base is constructed of 1¼" (32mm) wide, ⅜" (10mm) thick, stainless steel with a brushed finish and a protective clear coat.

The B.5 table is shipped fully assembled.

Finish Selection

When specifying light finishes such as 836, 840, and 850 the color and characteristic variances of both veneer and solid wood are apparent. Therefore, exact color matches are not possible.
