

Cassidy

The Cassidy collection features a 40" x 90" rectangular table with a flat cut walnut worksurface and a 48" diameter circular table with a walnut reverse diamond worksurface. The walnut base is comprised of tapered legs with a geometric shape that blends into the walnut top.

Power is not available on this table series. Cassidy tables are shipped fully assembled.

Finish Selections

A three character sku identifies the finish on each species. Individual components are priced with standard finish.

Special finishes on veneers made to customer specifications are subject to factory approval and a 5% net upcharge with a \$500 net minimum.

Transparent stains and sealers are applied in multiple steps to enhance the beauty of the natural wood. A durable, baked-on, top-coat of conversion varnish or UV topcoat is applied to protect the product. It is recommended that felt, cork, or fabric backed desk pads and accessories are used on worksurfaces to minimize wear.

When specifying light finishes such as 870, the color and characteristic variances of both veneer and solid wood are apparent. Therefore, exact color matches are not possible.
