

Standard Features

Facet tables feature polished stainless steel bases with 1/2" starfire tempered glass or 3/4" quilted maple face with maple flat edge tops. Wood tops are supplied with connector clips for attachment to base. Urethane bumpers protect the glass and prevent movement. The dimensions listed for the table height are wood tops only. When glass tops are specified the table height decreases 1/4".

The Facet table top and base are packed separately in the same carton.

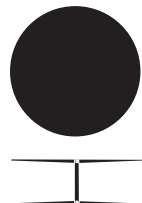

Finish Selection

When specifying light finishes such as 836, 837, 840, 850 or 870 the color and characteristic variances of the solid wood are apparent. Therefore, exact color matches are not possible.

Maple

Standard Finish

805	839	861
823	840	865
834	841	866
836	850	870
837	860
