

Story Base

The Story table is available with a fixed or folding top. The 4-star polished aluminum base has adjustable levelers with 1/2" leveling range.

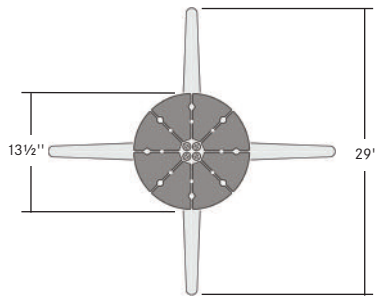

The Story base is available in a table height as well as a bar height. The base is appropriate for round or square tops ranging from 24" to 42" as well as a 30" x 24" rectangular top.

The Story conference table collection is available upon request with certifications for level® 1, GREENGUARD and FSC Chain-of-Custody. Requests must be made in writing in advance of or during the quoting process as upcharges may apply. For complete information regarding the level 1, GREENGUARD and FSC certifications for Story, please contact [bgreen@bernhardt.com](mailto:bgreen@bernhardt.com).

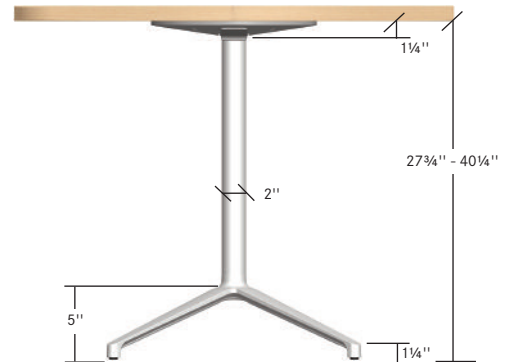

Approved for GSA Contract GS-28F-7040G.

Story Tops

Detail view of the Story top with the folding base.

Story tops are specifically constructed to accommodate the Story table base.

The Story table is available with round or square tops ranging from 24" to 42" and a 30" x 24" rectangular top with a flat or bevel edge.

The Story conference table collection is available upon request with certifications for level® 1, GREENGUARD and FSC Chain-of-Custody. Requests must be made in writing in advance of or during the quoting process as upcharges may apply. For complete information regarding the level 1, GREENGUARD and FSC certifications for Story, please contact [bgreen@bernhardt.com](mailto:bgreen@bernhardt.com).

Veneer Selections

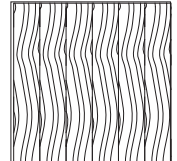

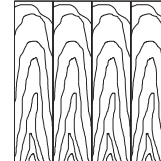

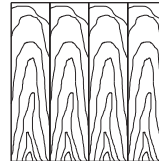

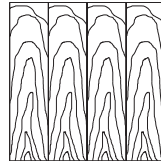

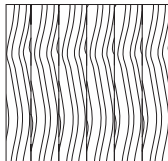

Laminates

- F Plain/Abstract Laminate
- W Woodgrain Laminate

A variety of standard laminate finishes are available with vinyl edge bands specifically formulated to correspond to standard laminates. See finish selections in the appendix for standard laminates and edge bands.
