

Vue

The Vue table is available with a fixed or folding top and features an aluminum base with adjustable levelers with 1/2" leveling range. Aluminum base is available in polished aluminum, matte black or satin white powdercoat finishes.

Available in either a table height or a bar height, the Vue base is appropriate for round or square tops ranging from 24" to 42" and a 30" x 24" rectangular top.

Vue tops are specifically constructed to accommodate the Vue table base. Tops are available with a flat, reverse bevel, or bevel edge.

Vue is BIFMA Level 2, GREENGUARD and FSC® C012937 certified. Visit the product page at Bernhardt.com for BIFMA Level 2 and GREENGUARD certifications. FSC® C012937 Chain of Custody certification is available by submitting a request in writing before or during the quoting process to be printed on acknowledgments and invoices. For complete information regarding the Level 2, GREENGUARD and FSC certifications, please contact bgreen@bernhardt.com.

Approved for GSA Contract GS-27F-010GA.
