

Snooze fully interprets the classic deckchair thanks to its generous and enveloping dimensions, and is available in various colourful versions that add a touch of liveliness to every setting. The deckchair comes with a practical support element that can also function as a footrest,

available in the same wide range of colours as the deckchair, to which one new shade has been added. The small, foldable club chair completes this practical, fun three-piece set, with its memorable design, enhanced by energetic colour.
