## BYE-BYE MACETEROS 42x40x70

By Harry & Camila

The artistic couple's objective with this new collection: To attain two completely different shapes. An abstract shape drawn by the upper edge and yet an overall inferior outline which appears to be geometric, although flowing from side to side, but never seeming to join, something that catches our interest. An ordinary vertical outline holds the object within its own identity. Its overall stretched cartoon-like appearance symbolizes journeys through space at light-speed. The fascination of BYE-BYE is contained in its contrast of a simultaneous unity, yet inner conflict.
