

ocean master MAX manta

premium parasols

The boundaries of shade architecture have been redefined with the Ocean Master MAX Manta parasol. Inspired from deep beneath the sea, the Manta MAX takes beautiful flight above any seascape. An open air living space has never known the tranquil comfort of this awesome and imaginative shade platform. Beauty and brawn harmonize in state-of-the-art, open-ocean tested marine components. The Manta MAX asks nothing but to delight the eye and shield the body with unparalleled durability.
