Beso Table

Artifort®

Design

Interaction, meeting, conversation and teamwork are indispensable in many activities in the modern working environment. With Beso Table, designed by Khodi Feiz, Artifort meets these requirements.

Beso Tables have a form language that is both sculptural and elegant as it is architectural.

Beso Table 260 x 110 cm | electrification position A

Collection

The table top is made of plywood with a top layer of oak veneer or laminate Fenix (Arpa). A number of dimensions can be made of solid oak wood or solid core Arpa Fenix.

Materials

Solid oak wood beam

With a Fenix table top, the oak beam is lacquered in the same colour as the chosen powder coat colour. When choosing a wooden table top, the wooden beam is in the same finish.

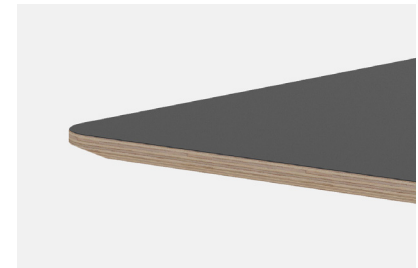

Metal legs

Powder coat. Available in a range of 33 colours.

The edge is always chamfered milled (5 mm), excluding solid core Arpa Fenix.

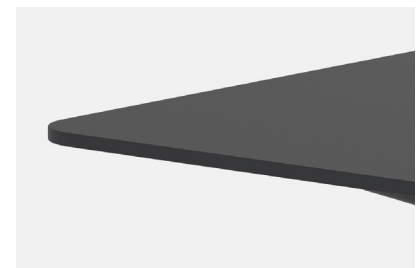

Plywood, top layer oak veneer | 25 mm

Plywood, top layer laminate Fenix | 25 mm

Solid oak wood | 25 mm

Solid core Arpa Fenix | 12 mm

Beso Table 300 x 140 cm | electrification position C

Electrification

Beso Table has electrification solutions and cable management. These utilities for AC, USB and HDMI can optionally be incorporated into the surface. Cables are cleverly stored in a cable net.

A | 1x 2 Netbox spots

B | 1x 4 Netbox spots

C | 2x 2 Netbox spots

D | 3x 2 Netbox spots

The Beso Table has an essential design that is highly flexible, allowing it to fit perfectly into any situation.
