Side View

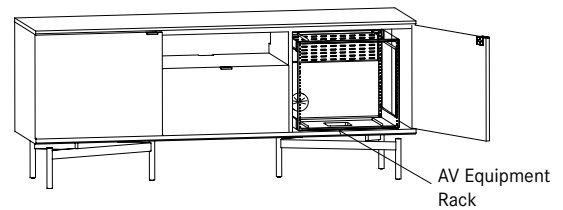

Trash/Recycling Bin

Slideout, dual compartment trash/recycling bin
 Bin ships assembled
 Includes: (1) open-top 30 liter bin and (1) open-top 19 liter bin
 Overall size: 16 7/8" w x 18 1/4" d x 17 7/8" h, Gray LLDPE
 1" square adhesive backed trash and recycled icons included 
 for optional on-site installation.

AV Equipment Rack

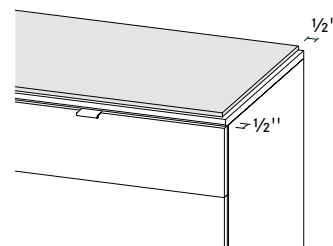

Rack max weight capacity: 200 lbs.
 Removable AV rack.
 9 usable rack spaces
 Usable Depth: 16"
 Usable Width: 18 1/2"

Glass Detail

Bernhardt Design offers a 3/8" thick back-painted glass top for placement on top of any CP.4 credenza. Glass top is offered in etched back-painted white, etched back-painted black and polished back-painted white.

When installing, position the glass top 1/2" from the front and sides, keeping it flush with the back of the credenza.

Materials/Finishes

A three character sku identifies each species as well as the standard finish offered. Individual components are priced with standard finish. Special finishes on veneers made to customer specifications are subject to factory approval.

Transparent stains and sealers are applied in multiple steps to enhance the beauty of the natural wood. A durable, baked-on, top-coat of conversion varnish or UV topcoat is applied to protect the product.

It is recommended that felt, cork or fabric backed desk pads and accessories are used on tops to minimize wear. When specifying light finishes such as 836, 837, 840, 850 or 870, the color and characteristic variances of both veneer and solid wood are apparent. Therefore, exact color matches are not possible.

Cp.4 Credenzas are available with vertical veneer inside all the door cabinets and finished backs suitable for open area installations.
