

The ergonomic proportions and lightness of structural lines guarantee both comfort and adaptability. Darwin is a steel collection, which revisits classic themes, in a delicate metal sheet mesh placed within a contemporary geometric structure. The texture effect of chair and backrest is the defining feature of the collection's style, which merges with the structural lines. The Darwin range consists of chairs, armchairs, tables, stools and counter tables, loungers and coffee tables. Defined by its exceptional style, Darwin is suited to all kinds of furnishing contexts.

Description

Code: **523**
Typology: **Barstools**
Collection: **Darwin**

Stackable: 4
Static Load: 200 Kg
Test: EN581-1 / EN581-2
Seat Height: 75 cm

Technical Info

Width: **50 cm**
Depth: **51 cm**
Height: **103 cm**
Weight: **6 Kg**
Static Load: **200 Kg**

Packaging

Packages: **1**
Pieces for pack: **4**
Dimensions: **121x68x53 cm**
Volume: **0.436 mc**

Polyethylene bag and cardboard box

Darwin / Barstool
Design / Lucidi / Pevere

Test
EN581-1 / EN581-2

Materials

Steel

Iron and carbon alloy, with carbon content below 2%, treated to withstand the elements with the unique EMU-Coat anti-corrosio process.

Maintenance: To keep the product in good condition for a long time, we recommend storing it indoors and in a dry place during the winter to prevent condensate from forming. Before the winter and on a quarterly basis, if the products are kept near the sea, it is recommended to clean the metal surfaces with a soft cloth using water or detergent and protect them with Vaseline oil or car wax.
