

Holly / Coffe table 44x45 Design /

With its simple, modern and linear style, the Holly sunbed, made in aluminium, is easy to use and to move. Holly adds a touch of originality to every kind of setting, from the beach to the swimming pool, from the private garden to large green outdoor spaces. Holly is accompanied by a two-shelves table to complete and enhance its functionality, with contemporary lines and harmonious design.

Materials

Aluminium

Aluminium alloys, particularly suitable for cold-working and for die-casting, appropriately treated to withstand the elements and powder coated.

Maintenance: To keep the product in good condition for a long time, we recommend cleaning it regularly; more often in very damp locations with a marine climate. It is recommended to clean the surfaces using a soft cloth with water or mild detergents. Prolonged and continuous exposure to intense UV radiation or very low temperatures can affect the initial characteristics of the coloured coating, which is made from polyester. We recommend cleaning and storing the products in sheltered places during prolonged periods of non-use and during the winter.
