Blue

 62
Curry Yellow

 75
Dark Green

Pigalle / Chair Design /

Materials

Steel

Iron and carbon alloy, with carbon content below 2%, treated to withstand the elements with the unique EMU-Coat anti-corrosion process.

Maintenance: To keep the product in good condition for a long time, we recommend storing it indoors and in a dry place during the winter to prevent condensate from forming. Before the winter and on a quarterly basis, if the products are kept near the sea, it is recommended to clean the metal surfaces with a soft cloth using water or detergent and protect them with Vaseline oil or car wax.

Pigalle / Armchair Design /

Romantic and ethereal, the Pigalle collection is the perfect choice to enrich gardens and living spaces with discrete originality.

Produced in various colours, the collection is completed by simply styled tables that complement the original features of the chairs. Pigalle furniture is so easy to use that this collection can be used in a variety of combinations.
