

## Round / Round table Ø80 Design / Christophe Pillet

Round is a collection defined by its search for structural balance and soft lines, an interpretation of outdoor space that conveys stylistic but essential refinement. Clean and basic shapes mark the rich range of tables that make up this collection. Round favours rounded shapes for chairs in which one can be seated with great comfort.

### Description

Code: **470**

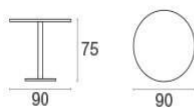

Typology: **With central pole**

Collection: **Round**

Static Load: 100 Kg

Shape: Round

### Technical Info

Width: **Ø 90 cm**

Depth: **Ø 90 cm**

Height: **75 cm**

Weight: **23 Kg**

Static Load: **100 Kg**

### Packaging

Packages: **1**

Pieces for pack: **1**

Dimensions: **93x14x93 cm**

Volume: **0.121 mc**

Polyethylene bag and cardboard box

## Colors

22

Antique Iron

23

Matt White

24

Black

41

Indian Brown

Round / Round table □80  
Design / Christophe Pillet

## Materials

### **Steel**

Iron and carbon alloy, with carbon content below 2%, treated to withstand the elements with the unique EMU-Coat anti-corrosio process.

**Maintenance:** To keep the product in good condition for a long time, we recommend storing it indoors and in a dry place during the winter to prevent condensate from forming. Before the winter and on a quarterly basis, if the products are kept near the sea, it is recommended to clean the metal surfaces with a soft cloth using water or detergent and protect them with Vaseline oil or car wax.

## Round / Square table 70x70 Design / Christophe Pillet

Round is a collection defined by its search for structural balance and soft lines, an interpretation of outdoor space that conveys stylistic but essential refinement. Clean and basic shapes mark the rich range of tables that make up this collection. Round favours rounded shapes for chairs in which one can be seated with great comfort.

## Materials

### **HPL**

Self-supporting material suitable for outdoor exposure. It consists of layers of kraft paper impregnated with phenolic resins and of a decorative surface layer impregnated with thermosetting resins. These layers are pressed at 9 Mp and at a temperature of 150 degrees centigrade.

### **Maintenance:**

HPL laminate is easy to clean and does not require special maintenance. Most stains can be washed with just clean water and dried with soft and clean cloths. For stubborn stains, use a sponge and a specific detergent for laminates or detergents for glass surfaces. Remove all traces of detergents using a dry cloth to prevent streaks or dulling. We recommend trying all products in hidden corner. Avoid using steel wool pads, products containing abrasive creams, powder detergents and acetone.

### **Steel**

Iron and carbon alloy, with carbon content below 2%, treated to withstand the elements with the unique EMU-Coat anti-corrosio process.
