

Yard / High table with 180x70 aluminum top
Design / Stefan Diez

Test
EN581-1 / EN581-3

The woven elastic straps, joined in an innovative way to the sophisticated aluminium frame, give life to a collection defined by outstanding, eclectic style and superb comfort, perfectly suitable for outdoor uses. Yard is a complete range of furniture, made up of a chair, armchair, fixed tables, relaxing armchairs, coffee tables of various sizes and a sunbed. The collection is completed with counter tables of various sizes, for both contract and residential settings.

Materials

Aluminium

Aluminium alloys, particularly suitable for cold-working and for die-casting, appropriately treated to withstand the elements and powder coated.

Maintenance: To keep the product in good condition for a long time, we recommend cleaning it regularly; more often in very damp locations with a marine climate. It is recommended to clean the surfaces using a soft cloth with water or mild detergents. Prolonged and continuous exposure to intense UV radiation or very low temperatures can affect the initial characteristics of the coloured coating, which is made from polyester. We recommend cleaning and storing the products in sheltered places during prolonged periods of non-use and during the winter.
