Experiencing is **believing**.

Our #1 bestselling chair, the CXO leads Nightingale's mission to provide top-quality, durable seating solutions. With its striking, executive design and clean finish, it's a chair that looks as good as it feels. Experience what professionals across the world already know: the CXO is the maximum in comfort and support.

Designed for comfort, built to last.

There's nothing quite like the feel of a CXO.
It conforms to your body's shape, offering
the best support to carry you through
whatever the day has to offer.

MODELS

The CXO series has a wide array of models, so you can get the most comfortable chair in the world exactly how you want it.

CXO 6200D

The most comfortable chair in the world. This high performance ergonomic chair comes well appointed with standard features.

CXO LEATHER L6200D

The CXO Leather™ has all the same extreme comfort features of the CXO™, but is wrapped in butter soft Italian made leather upholstery. Ultimate comfort, ultimate reward.

CXOti TASK INTENSIVE 6200D-TI

The CXOti™ contains all the features of the CXO™, but engineered for the rigors of 3 shifts a day, 24 hours a day, 7 days a week and 365 days a year. Designed for task intensive use with weight capacity up to 350lbs.

CXOHD HEAVY DUTY 6200D-HD

The CXOhd™ follows with near all the same features and styling of the CXO™, but reinforced in key locations to handle weights of up to 450lbs. Designed for weight capacity of up to 450lbs used in a normal 8 hour a day application.

FEATURES

Stretch Collection (Black)

1 ADJUSTABLE HEADREST

Optional headrest with ENERSORB™ foam adjusts up/down and pivots backwards with an innovative coat hook built into it's design. Headrest is field installable.

2 ABLEX™ MESH BACKING

Provides generous lumbar support while allowing dynamic movement. Air flows freely through this breathable mesh for added comfort in any environment.

3 THORACIC / LUMBAR SUPPORT

The contoured thoracic lumbar support pad with ENERSORB™ foam can be easily adjusted up and down and in and out for personalized support and comfort.

4 4D ARMRESTS

Spring-loaded ball bearing ratcheting system operates the armrests. Armrests-move up/down, in/out, complete with lockable swivel and forward/ backward arm pad adjustment.

5 ENERSORB™

The ENERSORB™ seat, lumbar and headrest foam disperses applied pressure evenly to reduce pressure points.

6 WATERFALL SEAT

Waterfall seat design that gently slopes away from the legs minimizing pressure on the thighs, promoting good posture.

7 SEAT SLIDER

The CXO™ features an integrated seat slider for seat depth adjustment.

8 MECHANISM

Synchronous knee tilt mechanism with positive and back-lock release. Intuitive side tension control, multi position lock, pneumatic height adjustment and an integrated seat slider for depth adjustment.

CXO LEATHER

Ultimate Comfort, Ultimate Reward

We took the ultimate in comfort and combined it with the ultimate in luxury: genuine, butter-soft, Italian leather. The CXO leather offers a premium aesthetic that lends a touch of class to any home or office environment.

MADRAS LEATHERS

Imported from Italy, Nightingale's Madras leather line is comprised of a wide variety of colors and shades.

PRINCESS LEATHERS

Princess Leathers are the best quality of premium leather you can get. They are ultra-thick and use aniline dyeing processes to preserve the natural surface of the hide.

TEXTILE DISCLAIMER

Nightingale only upholsters with top quality materials.

Nightingale recommends ordering product samples at www.nightingalechairs.com/textiles before final purchase to get a more accurate representation of color. However, due to slight variations in dye lots, there can be slight color variations to received product.

Nightingale has made every effort to represent the colors and textures of these textiles, vinyls and leathers as accurately as possible. However, we cannot guarantee 100% accuracy, due to variations that occur in the printing process.
